Important Questions	Answers	Why This Matters:
What is the overall deductible?	\$0	See the Common Medical Events chart below for your costs & services this <b>plan</b> covers.
Are there services covered before you meet your deductible?	No	You will have to meet the <b>deductible</b> before the <b>plan</b> pays for any services.
Are there other deductibles for specific services?	No	You don't have to meet deductibles for specific services.
What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ? (Prescription Only)	\$6,350/individual or \$12,700/family	The <b>out-of-pocket limit</b> is the most you could pay in a year for covered services. If you have other family members in this <b>plan</b> , they have to meet their own <b>out-of-pocket limits</b> until the overall family <b>out-of-pocket limit</b> has been met.
What is not included in the <u>out-of-pocket limit</u> ?	Premiums, balance billing, charges and healthcare this plan doesn't cover	Even though you pay these expenses, they don't count toward the <b>out-of-pocket limit</b> .
Will you pay less if you use a <u>network provider</u> ?	Yes. For a list of participating providers, see  www.pssuhwfund.org or call (888) 243-1524	This <b>plan</b> uses a <b>provider network</b> . You will pay less if you use a <b>provider</b> in the <b>plans network</b> . You will pay the most if you use an <b>out-of-network provider</b> , and you might receive a bill from a <b>provider</b> for the difference between the <b>providers</b> charge and what your <b>plan</b> pays ( <b>balance billing</b> ). Be aware your <b>network provider</b> might use an <b>out-of-network provider</b> for some services (such as lab work). Check with your <b>provider</b> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No	You can see the <b>specialist</b> you choose without a referral.
